## What Barto, Hoss Can Do For You

Barto, Hoss & Co., PC puts our experienced experts of CPAs to work to solve your tax problems quickly and affordably. We offer a free initial consultation to review your case and explain your options. We generally work on a "flat" (fixed) fee basis, so you will know up front how much in fees it will take to resolve your problem.

### ....Filing unfiled tax returns

You may still file original tax returns for past years, usually reducing the taxes and penalties owed.

### ....Negotiating an offer for a discounted settlement

Offer payment of a lower amount to wipe out your entire tax liability and release Federal Tax Liens.

### ....Offering a payment plan

Offer the IRS a payment plan that is workable for you.

### ....Requesting a reduction in penalties

Present valid reasons for your tax problems and have the IRS reduce penalties to zero.

### ....Asking for an appeal of the taxes owed

Request the IRS re-examine your case in order to reduce the amount you owe.

### ....Audit defense

We will represent you in an IRS audit or hearing so you do not have to appear. We will also represent you before the TDOR and the GDOR.

## Testimonials

Many of our clients start out by trying to handle their IRS, TDOR, or GDOR cases by themselves (or with their current CPA, attorney or tax preparer), but end up with negative results or no results at all. Henry Hoss, CPA, and other experienced experts at Barto, Hoss & Co., PC know the "ins and outs" of the tax system and can negotiate a solution that works for you.

I owed the IRS over \$500,000. The IRS issued a levy on both my bank account and my accounts receivable. Their next step would have been to lock my doors. I was confused, lost and did not know what to do. Mr. Hoss stepped in and immediately got the IRS to stop their aggressive collection efforts. He helped me get all my tax returns, including payroll tax returns, filed and current and has made sure I stay current. I am now making monthly individual tax payments and have entered into an installment agreement for my outstanding balance owed. I hope this change will help me obtain an offer-in-compromise in the near future.

**Mr. Bill, Chattanooga, TN**

Your firm was extremely helpful to me with a very difficult situation that had been going on for several years. I owed the IRS \$300,000. I wish I had retained your firm sooner. You helped me understand the tax rules and showed me a plan to get everything resolved. It was not easy but it worked and I can now sleep at night. Your fees were very reasonable. Thank you, Barto, Hoss!

**Dr. Carol, Chattanooga, TN**

I have been a tax client of your firm for many years. You are always available to talk with me anytime.
